SCIENCE
for the classroom

Materials for *How Do Living Things Stay Safe and Grow?*

The banana plants used in *How Do Living Things Stay Safe and Grow?* are currently unavailable. Please use the card set provided in your kit to help students compare the young and adult plants.

Thank you for your flexibility. If you have questions about these changes or about the module in general, call Carolina's product information staff at 800-227-1150 (8 a.m.–5 p.m. ET, M–F), or email curriculum@carolina.com.

Young and adult banana plants
